

Bridge Made Simple Webinars now have BBO online games! Postmortems are also done after some of the games. Below is a lot of information and how you find the games. We are looking forward to seeing you there.

If you have never played in a BMS sanctioned duplicate game, you will need to provide us with your BBO screen name at least 24 hours before said game. Please email it to webinars@larryco.com in order for us to include you on the list of eligible players.

Once your BBO screen name is on file with us you can register for the post-webinar game by following the instructions below. You can register for games up to 2hrs before said game but not less than 10 minutes before said game. **Here's how to find our games:**

- Log into your BBO account

Make sure you have BBO\$ in your account. You can buy them using a computer or tablet and they are dollar for dollar. We do **not** recommend using the BBO app (added fees will apply)

****[Click Here](#) to purchase BB\$.

- In "Featured Areas" click on "Virtual Clubs"
- **Scroll down to the bottom** and click on "All Clubs"
- In upper right is a Search Box put in **BMS (Bridge Made Simple) or the club number (shown next).**
- Look for our club **VACB271668** and Click on the game.
- Either add your partner's username to invite them to be your partner, or choose the Partnership Desk and pick a partner from the list or add your name to the list
- Registration for the game opens at 1:45pm EDT* on the day of the game
- It is recommended that you are logged in and registered immediately following Larry's webinar.

*If you have any difficulty registering for a game you can reach out to us by clicking on the VACB271668 badge to chat with the director or calling Cheryl at (973) 303-3232

QUICK FACTS:

Our regular games are \$5 each and are Black Point games (ACBL may charge an additional table fee for some special games e.g. Silver Point games, etc.) * Currently games are advertised in our emails and are usually following a webinar at 3:45 Eastern * Cheryl/Jesse will be the directors * 15 Boards * We will have a partnership desk – see instructions below.

You need to have registered for a webinar (or buy one in Larryco STORE) to qualify to play in the Bridge Made Simple (BMS) Games.

Michael will sometimes be hosting an after-game discussion (postmortem) of the hands!! This is an incredibly valuable learning experience not to be missed.

Any additional questions please direct to Cheryl: webinars@larryco.com
